The annual pie-eating contest will occur at our January Pack Meeting. Each den must arrange to provide two graham cracker crust pudding pies. These may be chocolate or vanilla ONLY. No whipped cream topping. You may substitute Oreo crust for graham cracker on the chocolate pies. Awards will be given for the fastest eaters for Tigers, Wolves, Bears, and Webelos. A boy may wear a plastic bag with a hole for his head to go through to protect his Scout uniform. Please alert your Den Leader if your son is allergic to chocolate or vanilla.

Santa's Secret Shop

Thanks to everyone (especially Debi and Ed McCarthy) for their help in making Santa's Secret Shop such a success! Many hands made the work light, as a record number of volunteers showed up to help on both Friday and Saturday.

Help Needed!!!

Our hospitality Chairs, Karen Walsh and Mary Schafer, need help setting up and staffing the food for Pinewood Derby! These ladies do a great job ensuring that we all have enough fuel at this event, but due to work schedules are in need of help on Saturday, February 19th. Also, we need another chair for next year, so this is a great opportunity to learn, and help the pack. Please contact Karen Walsh if you can help.

Webelos Articles

From time to time, Scouts write newsletter articles to fulfill their badge requirements, or for the fun of it! Following are articles submitted by some members of Webelos II Den 6. If you would like to submit an article, please e-mail it to msknaggs92@sbcglobal.net.

Buffalo

By Kyle Lewis

On November 20th and 21st, I went to Buffalo. I went to Niagara Falls, NY. I got to see the falls and I went to a park to see the falls. I got a good view of the falls too. It was all misty and at one point there was so much mist that it went over to the cliff where I was and I was

running through the mist and got soaked. I also saw a double rainbow too.

Then I went on to the naval ship at the naval park. The naval ship I was on was the U.S.S Little Rock. I explored the ship and we watched a movie about the ship. Then we went back to our dorms and then we had a fire drill. Then after that we had dinner. Then we explored the ship some more then we went to the snack bar and got ourselves some soda. Then we went back to our bunks and hung around then we walked around even more and went to the gift shop. Then it was lights out at ten thirty. Then when we woke up we had breakfast , walked around the ship then it was time to go.
