Cake Auction

Thanks for another successful Cake Auction! We raised over \$1,500 on the auction of many very creative cakes. Good job, boys and thank you, Pack 102 parents!

Yard Charge 2010

We Made a Difference!

Thanks to all Scouts and parents who turned out, gave time and muscle to the community, and helped "Make a Difference" in Olmsted Falls by raking leaves for our elderly citizens. We saw first hand how much our efforts mean to people.

Santa's Secret Shop

Each Den is being asked to provide a gift basket for the raffle at Santa's Secret Shop. If you haven't already done so, please give your den basket to Debi McCarthy.

We are also asking people to bring baked goods for our bake

sale. The baked goods may be dropped off during Santa's Secret Shop set up on Friday, Dec. 3rd, or on Saturday morning.

This event is a lot of fun, but requires a lot of work. Please make yourself available to help set up, work the event, or help clean up. Many hands make the work light and the event fun. There are sign up sheets tonight.

January Pack Meeting

The annual pie-eating contest will occur at our January Pack Meeting. Each den must arrange to provide two graham cracker crust pudding pies. These may be chocolate or vanilla ONLY. No whipped cream topping. You may substitute Oreo crust for graham cracker on the chocolate pies. Awards will be given for the fastest eaters for Tigers, Wolves, Bears, and Webelos. A boy may wear a plastic bag with a hole for his head to go through to protect his Scout uniform. Please alert your Den

Leader if your son is allergic to chocolate or vanilla.

Ice Skating & Pizza Party

All Cub Scouts & their families and friends are invited to a private ice skating party at North Olmsted Recreation Center on Saturday, February 5th from 5:30-8:00 pm. Cost is \$5 per person for ice-skating, skate rental, and pizza. Each family must bring a food item or paper product. We have to have at least 100 people signed up by January 2nd for this event to take place. Sign up TONIGHT, at Santa's Secret Shop, or contact Lisa Csire at 440-235-5609 or lisacsire@yahoo.com.

Leader Training

All leaders and committee members must have completed Youth Protection Training by November 1st. This is completed on-line. Please print your completion certificate, and give to Sandra Graham.

Pinewood Derby Race

February 18-19th will be here before you know it. Fasten your seat belts and start working **now** on your Pinewood Derby car. As usual, there will be prizes for Most Awesome Car and Fastest Car in each rank.

We will have an unlimited class Adult & Sibling race on the night of setup. There is a \$5.00 registration fee for adults. The Pack will keep 50% of the entrance fees, and the top three winners will receive: 1st place – 25%, 2nd place =15%, and 3rd place – 10%. Sign up tonight or contact Seth Tomasch if interested. You may purchase a car tonight for \$4.00. Adult Race entrants must use BSA wheels and axles. The car must not exceed 7" in length or 5 oz in weight, be able to race on the track. ALL MODIFICATIONS TO BODY, WHEELS, and AXLES ARE LEGAL IN THE ADULT & SIBLING RACE.

Pack 102 T-Shirts

The shirts order has not yet arrived because the Class B company was having computer problems. The shirts should be here for pick up at Santa's Secret Shop. There will be a few extra shirts for sale when they come in. Cost is \$15. These shirts are optional.

Webelos Articles

From time to time, Scouts write newsletter articles to fulfill their badge requirements, or for the fun of it! Following are articles submitted by some members of Webelos II Den 6. If you would

like to submit an article, please e-mail it to [msknaggs92@sbcglobal.net](mailto:mस्कnaggs92@sbcglobal.net).

Favorite Scout Activities

by Austin Porche

Something I did in cub scouts that I really, really liked was earning my whittling badge. I remember hearing other scouts say how I could not carry a pocket knife until I passed the test. I was so nervous. I thought it was such a privilege to earn this badge. I am very proud to carry my pocket knife and I always remember and follow the rules of safety with a pocket knife. I have loved being in cub scouts and have learned and have had lots of memories like learning archery, the pinewood derby race and going to day camp. I always felt good when I earned a badge and can now help someone younger work on some of their own badges.

Swings-n-Things Scout Night

by Nikolas Zaldana

We went to the Swings-N-Things Scout Night Family Campout on a Friday night in August for a summer activity.

We went to register and received tokens for the game room. First, we set up our tent and emptied the vehicle.

Then we went to play miniature golf. I made several holes in one. Even though it was cold, we went on the bumper boats. My brother and I were squirted by other scouts and got a little wet.

We spent most of our time riding the go karts. Before it was 2:00 in the morning (lights out), we played in the game room. It was a cold night for sleeping in the tent. In the morning, we packed up our tent, ate breakfast and went home. It was a great summer activity.

Cedar Point with Troop 201

by David Zaldana

I went with Boy Scout Troop 201 to Cedar Point on a Saturday during Halloweekends.

We met at Falls Lenox School in the morning. We received a map and left in groups.

We arrived at Cedar Point and separated into groups and discussed rules. They gave us our tickets to get into the park.

Our first ride was the Blue Streak; afterwards, we went through a haunted house and a hay maze. We ate a quick lunch, rode more rides, and ate later in the day.

Lastly, we rode the ski lift to the entrance of the park and went through the Fear Faire haunted outdoor walk through. Unfortunately; it was time to go home, but I had a great time.

Rocket Days

by Jonathan Knaggs

Last summer, I built some rockets and went to the Cub Scout Rocket Days at the Lorain County Fairgrounds. It was fun because we launched rockets for hours.

We launched rockets up and tried to have them land on a target when they came back down. We got points for how close they were to the targets. The closer your rocket landed, the more points you got. You had three tries for the competition and whoever had the most points got a prize. I didn't win, but I did get a patch. After the competition, we got to launch rockets for fun.

Later, the Boy Scout troop that hosted Rocket Days retired flags in a fire.

Rocket Days was fun!
