

2010 Pinewood Derby Details

February 19 - 20 -- Olmsted Falls High School Cafeteria

Friday Night (2/19) - 5 pm

Weigh-in will run from 5 pm - 7 pm. The weigh in will include all scouts in Pack 102, and all dads, siblings, and girl scouts participating in that evening's race. There will be 2 weigh-in tables. One will be for Pack 102 scouts. The other will be for dads and siblings.

The dads/siblings race will start at approximately 7:15. We need to leave the high school by 9 pm. Please arrive before 7pm to be eligible for this race. We may not be able to include your car if you arrive after 7pm. Please remember your \$5 entry fee. There will be a separate weigh-in table -- look for the posted signs.

We will have a pre-weigh / repair table set up. If you are unsure of the weight of your car, want to apply additional graphite lubricant to the wheels, or need help with adding weight or final assembly, please visit this table first. We will have a full complement of tools and gear necessary to get your car into final racing form.

Saturday (2/20) - 9 am

Our race day will begin at 9am. We're expecting approximately 80 racers, which should take 3 - 3 1/2 hours to complete. We will have a refreshment table and a craft table for the younger siblings.

Our first activity will be voting for the Most Awesome car. Please arrive by 9 am to have your scout participate in this vote.

I look forward to another action-filled Pinewood.

Please forward any questions.
